

Establishing Routines **(Secondary Level)**

**1. What will you do to stop/
start students in activity?**

**2. What type of warm-up activities will do/
use? Different or structured the same
each class period?**

3. How will you deal with the ever-pervasive question of “What are we doing today”?

4. How will you deal with unprepared or out of dress students?

5. What will you do with long-term medical absences (> 3 classes)?

**6. How will you handle missing classes
(Attendance)?**

7. What are students supposed to do while waiting for next period? Where are they expected to be or go to?

3. What will be your procedures be for written quizzes/exams?

9. What locker room procedures will you have?

10. What are your procedures for students who are late for class (Tardiness)?

**11. What's your policy for using the
bathroom?**

12. What are other important routines you want your students to know?
